### Where picturesque beauty meets everyday connection.

Stonerose is just minutes from both Niagara-on-the-Lake and the vibrant city centre of Niagara Falls. It is truly in the heart of the region, but its incredible connectivity is so much more than local. Highways 420 and the QEW are under 5 minutes from your doorstep; that's unparalleled access to the whole region and beyond.

Living at Stonerose puts nature, culture, and convenience all within arm's reach. Get to wine country for a serene day amongst the vines in an instant, see the iconic Horseshoe Falls with ease, plus enjoy incredible proximity to transit, shopping, green spaces, and the U.S. border.

Niagara is fast becoming one of Ontario's most dynamic regions. Supported by a breadth of diverse industries and a rapidly growing small business sector, it's one of the province's most interesting and attractive places to call home. Unique access to the American border, jobs supported by tourism, food production, farming, technology, and more are helping establish the area as a great place to put down roots, and a sound area to invest in.

Anchored in history and charm, Stonerose is designed to reflect the spirit of Niagara while embracing modern life.

Your morning starts in a small café in Niagara-on-the-Lake. The locally roasted coffee you're sipping is perfectly balanced with warm notes of cherry and chocolate. You decide to rent a bike and tour a few wineries, stopping at your favourite place for a wood-fired pizza and burrata with fresh peaches. Your companion suggests you take a walk behind Horseshoe Falls; you stop for a basket of fresh local produce and make your way there. It's incredible. Powerful, natural, and beautiful.

As the sun sets over the region, you revel in a farm-to-table two Michelin-starred meal at Restaurant Pearl Morissette before you finish the evening at The Shaw Festival Theatre for a compelling performance, or a thrilling ride on the Ferris wheel. The best part? It's all just minutes from your home at Stonerose.
